THE COUNTRY

India is a vast South Asian country, at the center of South Asia with diverse terrain – from Himalayan peaks to Indian Ocean coastline – and history reaching back 5 millennia. In the north, Mughal Empire landmarks include Delhi's Red Fort complex and massive Jama Masjid Mosque, plus Agra's iconic Taj Mahal Mausoleum. Pilgrims bathe in the Ganges in Varanasi, and Rishikesh is a yoga centre and base for Himalayan trekking. India has seven neighbours: Pakistan in the north-west, China and Nepal in the north, Bhutan and Bangladesh in the north-east, Myanmar in the east and Sri Lanka, an island, in the south. India has the third largest military force in the world and nuclear weapons. India has the fourth largest number of spoken languages per country in the world.

THE STATE

Madhya Pradesh is a state in Central India, the 'Heart of India' due to its geographical location in India. Madhya Pradesh is home to many National Parks like Bandhavgarh National Park, Kanha National Park, Madhav National Park etc. There are also a number of nature reserves, including Amarkantak, Bagh Caves, Natural reserve, Ken Gharial, Ghatigaon, Kunopalpur, Pachmarhi etc. Khajuraho, Sanchi, Bheembetika are declared world heritage sites by UNESCO and are tourist place of international interest.

HOST CITY, BHOPAL- city of lakes

The capital of Madhya Pradesh, Bhopal is a fascinating amalgam of scenic beauty, rich heritage and modern urban planning. It is situated on the site of 11th century city Bhojpal founded by Raja Bhoj. The whole city is embellished with lakes and mosques and other prepossessing attributes; blending into a sight to savor. The two lakes and seven hills dominate the city and form its nucleus. .

Bhopal, today presents a multi-faceted profile; the old city with its fine old mosques and markets represent the aristocratic imprint of its former rulers. The new city is equally impressive with its beautiful parks, gardens, broad avenues and streamlined modern edifices. Bhopal has various institutions of national importance. Some of these include ISRO's Master Control Facility, the CSIR AMPRI, MANIT, IISER, NITTTTR, SPA, IIFM, BHEL, NLIU and AIIMS. Places of interest in and around Bhopal are Upper and lower lake, Bharat Bhawan, Van Vihar, Birla Temple, Manav Sanghralaya, Islam Nagar Bhimbetika, Sanchi, Bhojpur.

ABOUT THE CONFERENCE

Human Rights are one, indivisible and universal. As law however, they are fragmented. Human rights law today is characterized by the simultaneous existence of a large variety of norms, developed by numerous actors, at different geographical levels, addressing similar or different topics, individuals and groups. However, rights holders, duty bearers and other 'users' of human rights are confronted simultaneously with multiple layers of human rights law, amongst which there is generally little coordination.

The conference intends to facilitate a dialogue among legal and socio-legal experts. Through this dialogue, the conceptual, theoretical and methodological foundation of Human Rights challenges will be refined.
